

# Details of Rental Display System

Wall panels, carpet, electricity, lights and furniture will not be included in the raw space. If you are not going to build a custom-made booth, you are recommended to use the rental display system.

## ● Handover of the Rental Display System

Rental Display System will be ready by 10:00am on the second day of move in.

## ● Types of Rental Display System

- Refer to the following pages for the types and prices of rental display system.
- A corner booth will have company name board(s) instead of wall panels on the side(s) facing the aisle(s).

## ● Notes

\*The prices below include 10% consumption tax.

- The booth must be returned to its original condition of the rental display system.
- Any decorations to the walls and display tables that cannot be restored to their original conditions are prohibited, such as making holes with nails, screws and thumbtacks, painting on panels, leaving any posters or notices, and using tapes with strong adhesion. (Repairing cost will be charged for such acts, e.g., JPY 21,450/panel for back and side walls.)
- Items in the rental display system cannot be replaced nor exchanged with other items. They can be removed but the charges will not be reduced.
- On-site order of furniture that was cancelled via the advance application will be considered as an additional order. You will be charged for the full cost of items ordered on site. (e.g. Ordering reception counter again which was once cancelled via the advance application)
- Changing the height of the display tables on site will cause an additional charge of JPY 11,000.
- Changing the form of display tables on site, such as connecting and detaching multiple tables, will result in an additional charge of JPY 5,500 per 30min to the exhibitor. Please request in advance.
- If you have any request on the booth layout, please send your booth layout to the official contractor.
